STEP 2 Create an account

When the alert appears, you will receive an email from zoom at the email address you registered. Please check your email.

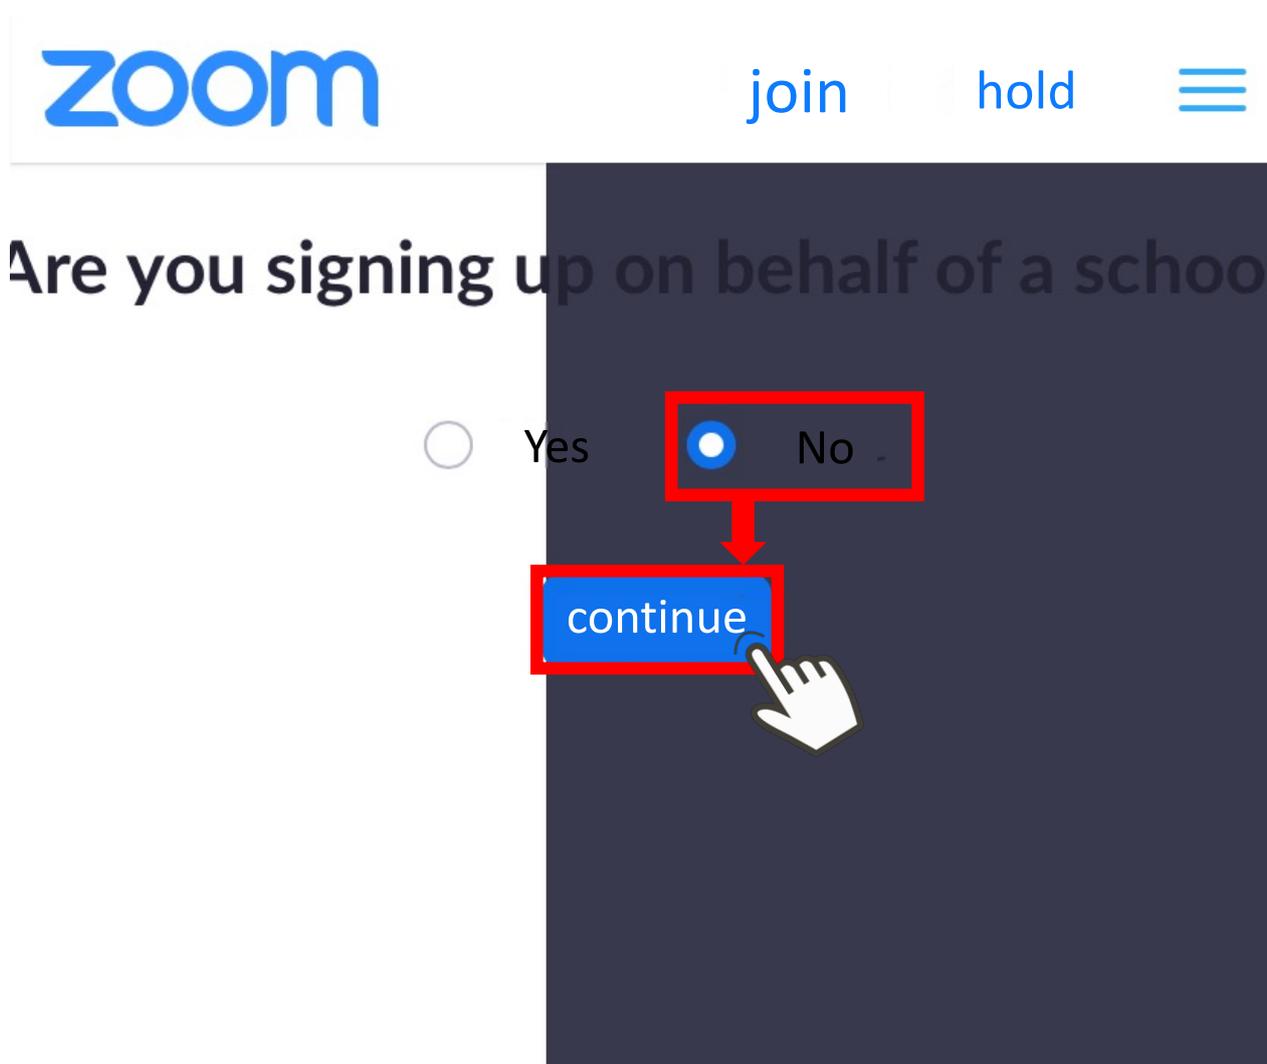

STEP 2 Create an account

View the received emails and tap on the active account.

STEP 2 Create an account

Select **No** on the site that appears and tap **Continue**.

STEP 2 Create an account

Tap "Sign in with password" on the site that appears on the site that appears.

The screenshot shows a mobile sign-in interface. At the top left is a blue "Cancel" button, and at the top center is the title "Sign In". Below the title are two input fields: "Email Address" and "Password", both highlighted with a red border. Underneath these fields is a blue "Sign In" button, also highlighted with a red border, with a hand icon pointing to it. Below the button is the text "Forgot password?". At the bottom, there is a section titled "Sign in using" with three options: "SSO" (with a key icon), "Google" (with the Google logo), and "Facebook" (with the Facebook logo), each followed by a right-pointing chevron.

STEP 2 Create an account

- First name
- Last name
- Password

Enter the information and tap Continue.

STEP 2 Create an account

Check the "I'm not a robot" box and tap "Skip this step."

The screenshot shows a registration form with three email input fields, each containing the placeholder text "name@domain.com". Below the third field is a link that says "Add another email". The reCAPTCHA section features a green checkmark icon in a red box, the text "I'm not a robot", the reCAPTCHA logo, and links for "privacy" and "terms of service". An orange button labeled "invitation" is positioned below the reCAPTCHA. At the bottom, a button labeled "Skip the steps" is highlighted with a red border, and a hand icon is shown tapping it.

STEP 2 Create an account

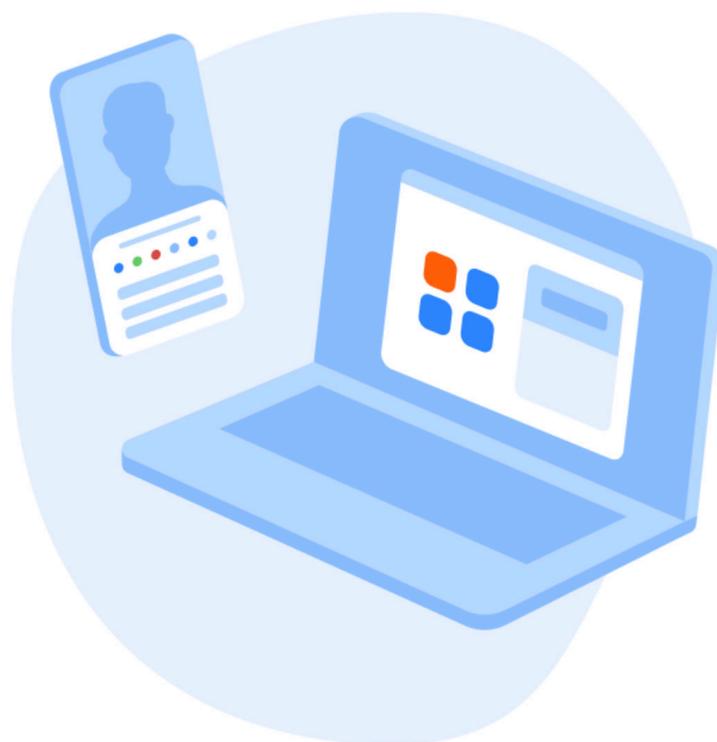

When the following screen appears, your registration is complete.

STEP 3 Login

Launch the app and tap "Sign In".

Start or join a meeting

Sign In

STEP 3 Login

The account you registered for

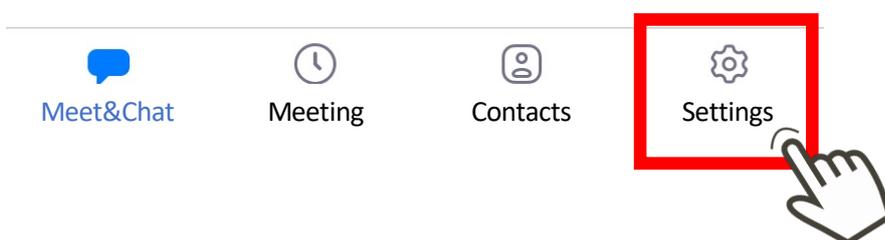

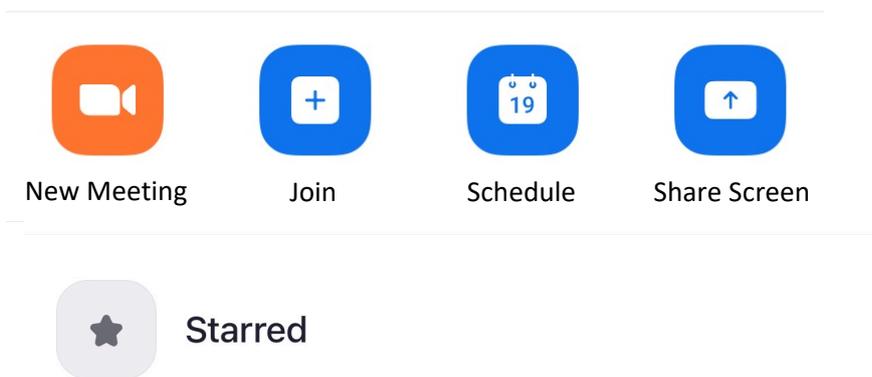

- Email address
- Password

Enter the information and tap Continue.

The screenshot shows a mobile login interface. At the top left is a blue 'Cancel' button, and at the top center is the title 'Sign In'. Below the title are two input fields: 'Email Address' and 'Password', both highlighted with a red border. Underneath these fields is a blue 'Sign in' button, also highlighted with a red border, with a hand icon pointing to it. Below the button is the text 'Did you forget your password'. At the bottom, there is a section titled 'Sign in using' with three options: 'SSO' (with a key icon), 'Google' (with the Google logo), and 'Facebook' (with the Facebook logo), each followed by a right-pointing chevron.

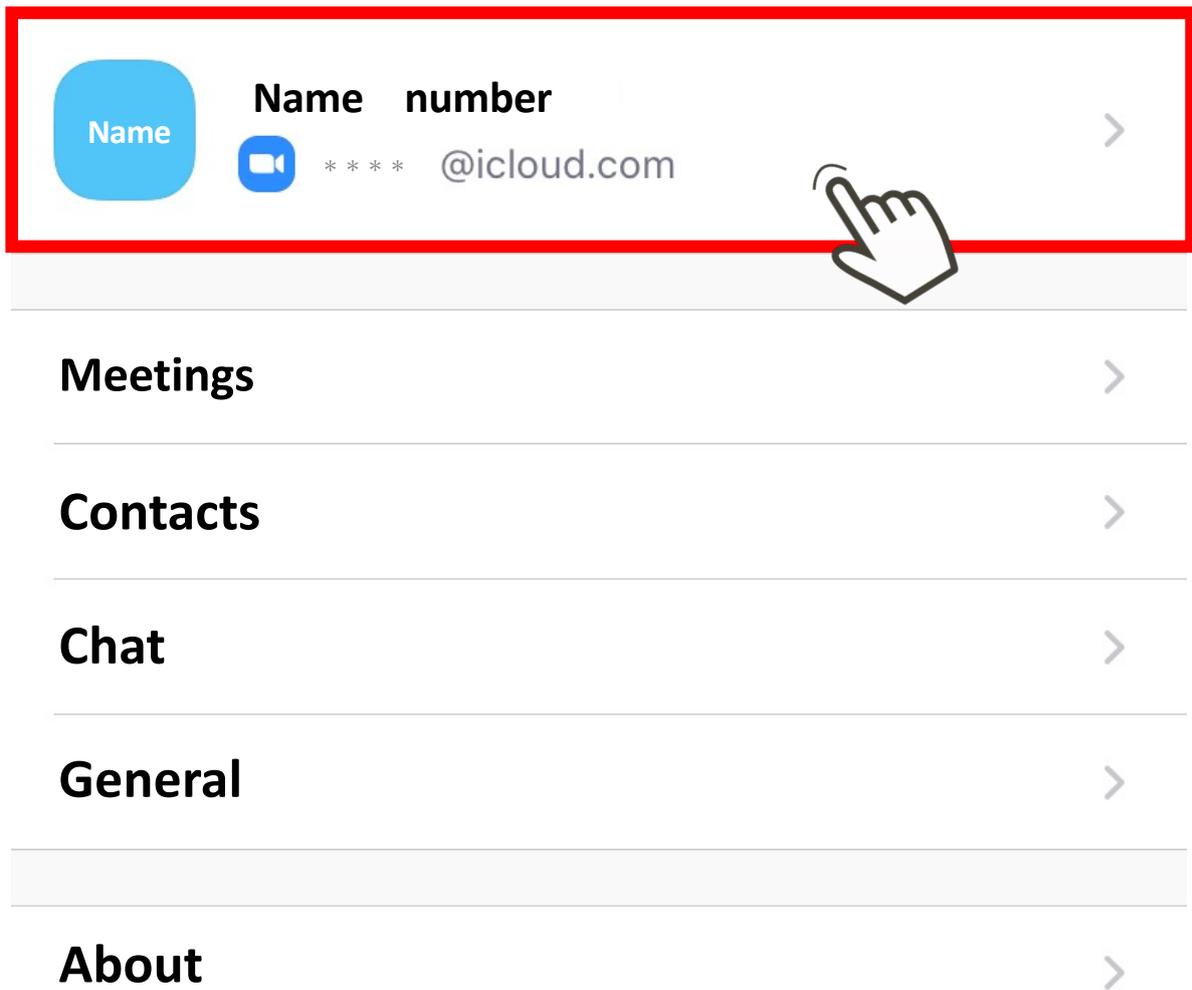

STEP 4 Rename your account

Tap **Settings** in the lower right corner of the screen.

STEP 4 Rename your account

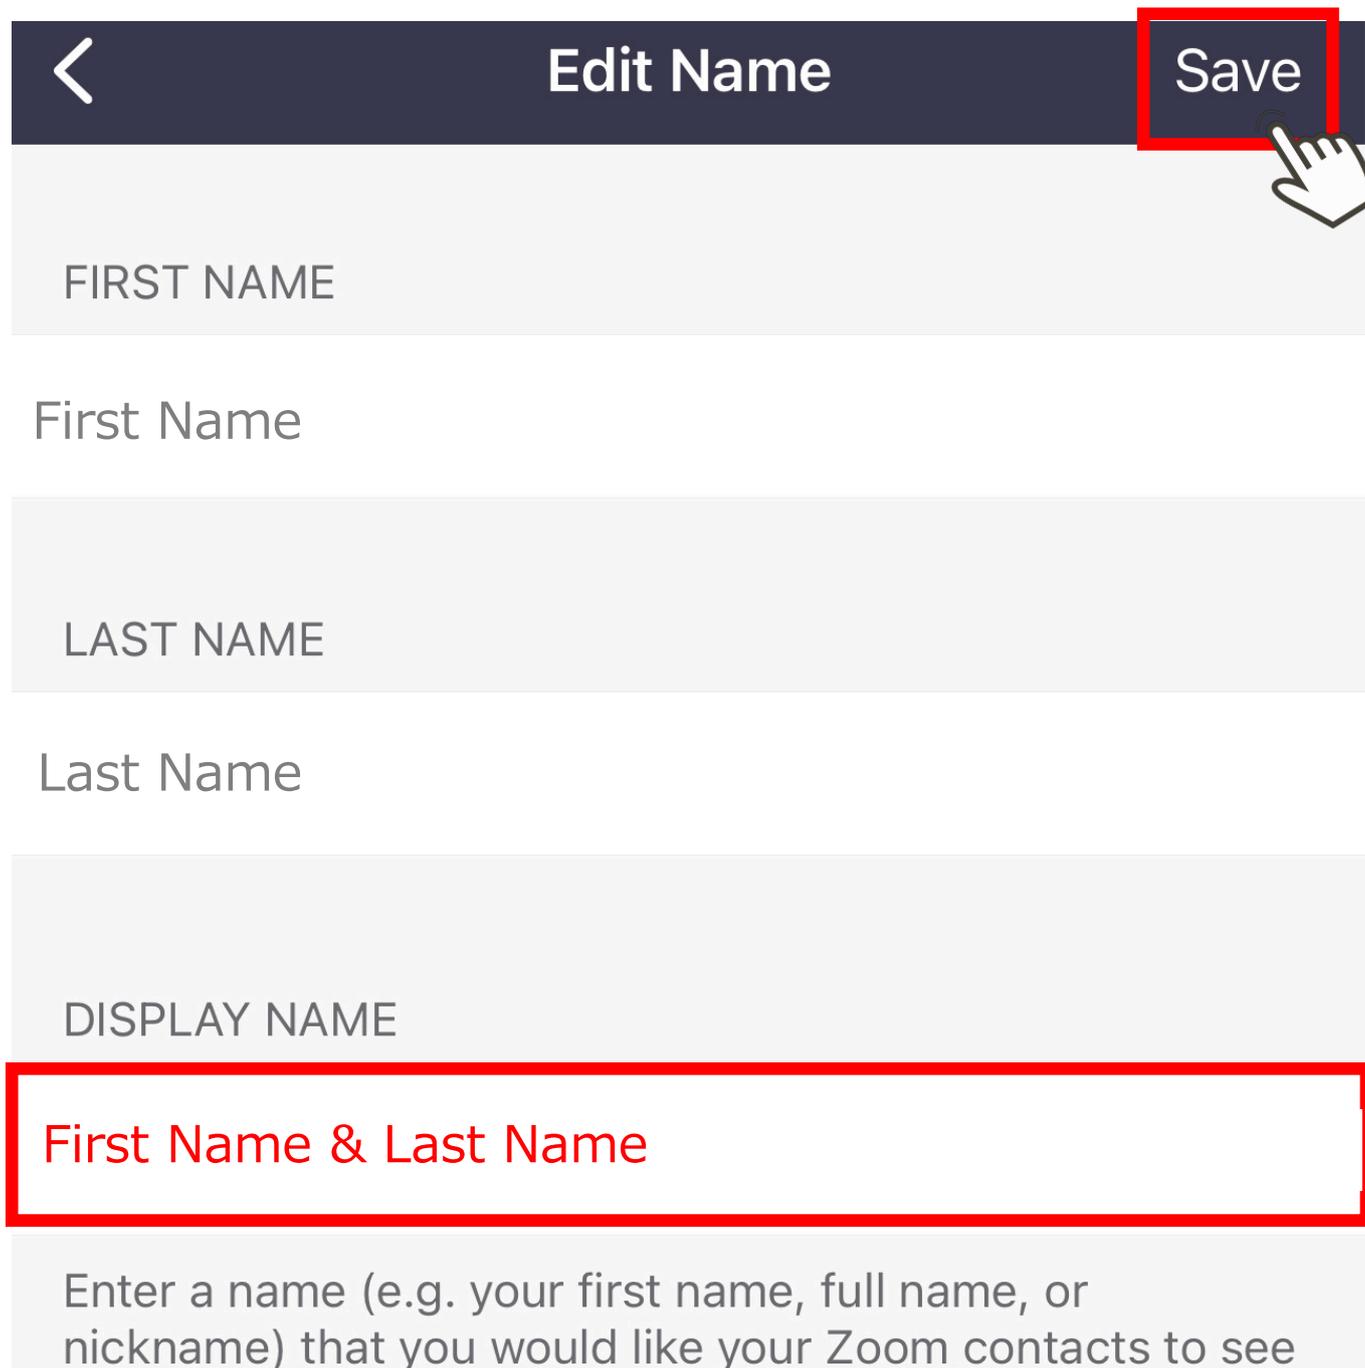

Tap the top item.

STEP 4 Rename your account

Enter your name (full name).
Be sure to register the names of the event participants

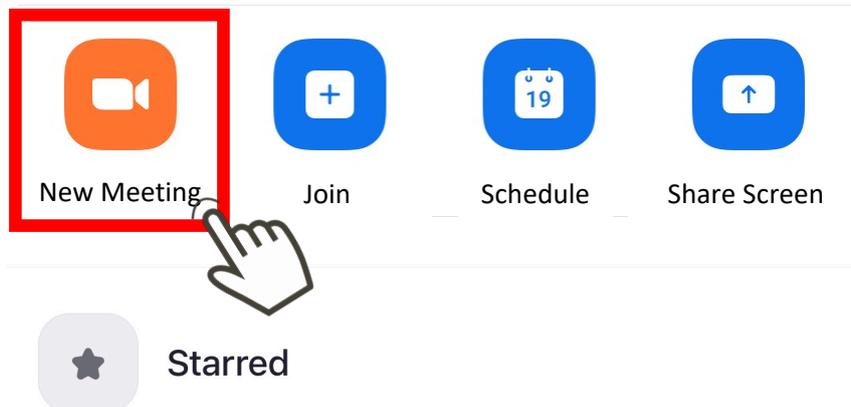

Please leave the last name blank.

The screenshot shows a mobile application interface for editing a name. At the top is a dark blue header with a white back arrow on the left, the text 'Edit Name' in the center, and a 'Save' button on the right. The 'Save' button is highlighted with a red rectangular box, and a hand cursor is pointing at it. Below the header are three input fields: 'FIRST NAME', 'LAST NAME', and 'DISPLAY NAME'. The 'FIRST NAME' field contains the text 'First Name'. The 'LAST NAME' field is empty. The 'DISPLAY NAME' field contains the text 'First Name & Last Name', which is also highlighted with a red rectangular box. Below the 'DISPLAY NAME' field is a text instruction: 'Enter a name (e.g. your first name, full name, or nickname) that you would like your Zoom contacts to see'.

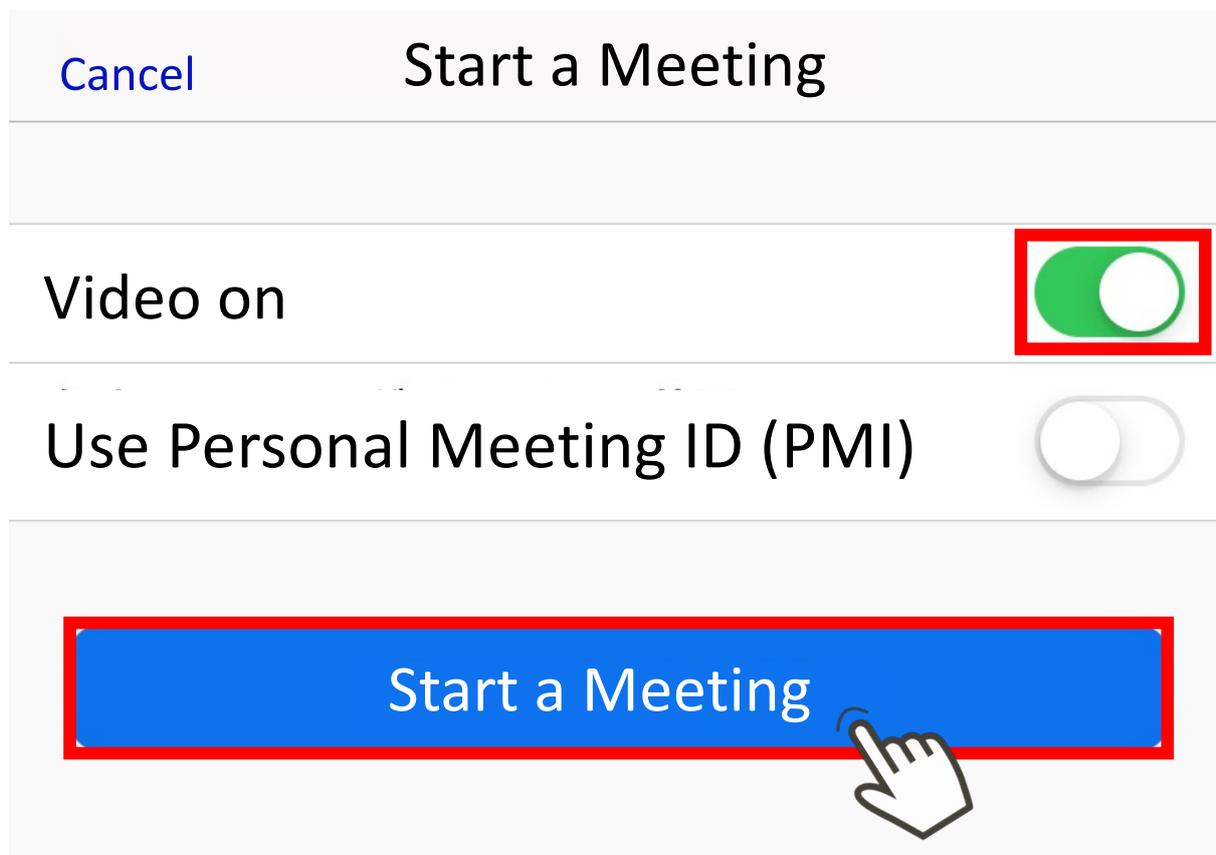

STEP 5 Setting up and checking audio and video

Return to the home screen and tap New Meeting.

STEP 5 Setting up and checking audio and video

Make sure the video is turned on and tap Tap Start Meeting.

STEP 5 Setting up and checking audio and video

Tap Start Video, and if you can see your image in the center of the screen, the video connection is good.

STEP 5 Setting up and checking audio and video

Tap "Call through device."
After tapping, the audio will be available.
